KNOWLEDGE.

Physician and Surgeon.

The Public are respectfully informed that
Dr. JAMES FISHER, M. D., Physician and
Surgeon to the Hospital of the Poor, has
been rendered easy for man to ascertain what
nature his intended him for—in what business he
ought to embark to be successful—what kind of
man he was, whether he happy and in fact
every man in his power to make him his
friend, and success must follow.

Mr. Fisher is anxious to meet the esteem of the
Fashionable community, and although his
principal business will be that of the MEDICAL
ARTS, he will also attend to the dress of men
and women.

Mr. Fisher constantly has on hand a very rich
and choice selection of Cloths, Cassimeres and
Vestings of the latest designs.

N. B.—All Work warranted to fit and well
done. Room in the rear of Hotel, Main Street,
ground floor, where you may get up a room
for the Men and Boys' department, also
Ladies' Riding Habits made to order.

Fisher is anxious to render them an ornament to
social life, and themselves.
